

Welcome the new CCG network member: CCG FRA GmbH

Effective November 15th, 2005, the global CCG network is again expanding by opening the new CCG Frankfurt branch.

As of November 15th, 2005, the new CCG Frankfurt branch has commenced their operational activities under the experienced management of Mr. Markus Kampa, Managing Director. The new management and team have many years of experience in the perishable business and have excellent contacts with all major carriers. The office is located directly at the Frankfurt Airport, besides the airport's "Perishable Center". The following services regarding airfreight are offered to the clients:

- import clearance
- quality control
- delivery to door and distribution in Europe
- pick-up
- export clearance
- cool storage
- ULD building (palletising)
- claim handling

Please find the new address details which are also published on our homepage under "country profiles":

CCG's mission statement:

"We provide services orientated to improve the supply chain for perishable goods by ocean, air and truck from source to destination, maintaining quality and increasing shelf life to assure the best possible product to consumers at the right cost.

We will partner with people and organizations who understand the need to maintain profitable operations, who can work together fairly and efficiently to achieve a balance of our stated goals."
