

## **CCG Bogota S.A. and Transborder Ltda. formed a joint venture**

**Effective December 05<sup>th</sup>, 2005, we would like to inform about the future cooperation between CCG Bogota and Transborder Ltda. within Columbia.**

As of December 05<sup>th</sup>, 2005, the new joint venture in the perishable business between Transborder Ltda. and CCG Bogota S.A. was legally signed and registered under "CCG Transborder S.A.". The cooperation with our partner Transborder Ltda. creates potential synergies in administration, management and geographical presence together with a strong increment in added bargaining power, a situation that will benefit quality for both CCG and Transborder clients in terms of cost/pricing, service and efficiency.

Transborder is the leader of the consolidations market in Columbia, covering more than 200 seaports and airports both for import and export shipments. The growth of Transborder's operations in the last three years has surpassed 90% per year due to more than 100 experienced and motivated staff members, exchange of know-how and technology with their agents in all six continents. Transborder has own offices in Bogota, Cartagena, Buenaventura, Cali, Rionegro and Medellin.

CCG Transborder S.A. is now handling Transborder's perishable business under the experienced management of Mr. Boy Stuijzand, Managing Director, and Mrs. Adriana Calderon, Commercial Director. Following a list of services, offered by CCG Bogota, i.e.:

- Airfreight Export & Import
- Seafreight Export & Import
- Refrigerated land transport
- Cool & Freezer storage
- Pre-Cooling
- Import / Export Customs Service
- WMS / Inventory Systems
- Palletize & Shrink Wrap Service
- Live animal transport
- Track, Trace, Exception Reporting

### **CCG's mission statement:**

"We provide services orientated to improve the supply chain for perishable goods by ocean, air and truck from source to destination, maintaining quality and increasing shelf life to assure the best possible product to consumers at the right cost.

We will partner with people and organizations who understand the need to maintain profitable operations, who can work together fairly and efficiently to achieve a balance of our stated goals."
