

Caused by success: CCG FRA GmbH re-named to CCG DE GmbH!

Effective March 25th, 2010, former CCG FRA GmbH have changed their name to CCG DE GmbH. Everything else remains the same!

Because of the solid and continuing expansion of our German CCG operation it was decided to change the company's name to CCG DE GmbH, as DE is the international abbreviation for "Deutschland" (Germany).

CCG DE GmbH is germany-wide active, mainly based at Kelsterbach / Frankfurt Airport and steering from there their different subsidiaries at Duesseldorf, Munich and Erfurt. Furthermore CCG DE GmbH has raised the number of employed staff members to keep pace with the constant positive expansion.
